# Every Student Succeeds Act (ESSA)

- USDE has indicated that an SEA must minimally collect from LEAs the assurances included in Section 8306 of the ESSA prior to awarding FY17 funds.
- In addition to the required LEA assurances, SEAs may collect any other information the SEA deems necessary for proper implementation of each grant program.
- The new application has been streamlined to focus on the required assurances from Section 8306 of the ESSA, as well as programmatic and fiscal information that staff have determined is necessary to properly administer each program.
