Good Faith Efforts to Meet Recruitment Targets (Attract)

	Describe Recruitment Efforts in 2022-2023	Describe Recruitment Plans in 2023-2024
Economically Disadvantaged	We continue to canvas and table in our neighborhood and surrounding districts. We do extensive outreach in NYCHA buildings, partner with community organizations, churches, mutual aid groups, and others to find families who are economically disadvantaged. We continue to provide all required supplies, materials, and uniforms free of charge for all families. We worked with our Family Council to identify and recruit families, and secured resources to provide services including adult education, laundry for families, and frequent workshops and events to expand access.	We continue to canvas and table in our neighborhood, and work with local community organizations and churches to identify and meet families who are economically disadvantaged. We also expanded our canvassing and social media strategy, and our referral program now includes incoming families. We also expanded into radio and bus advertising.
English Language Learners	All of our outreach and marketing are bilingual. We worked with families of ELL's to recruit through kinship networks and affinity groups, and increased our ELL population for this school year. All of our canvassing teams have at least one multilingual teammate. We also expanded our Literacy program to provide more robust services to ELL students.	We continued our bilingual outreach, and family participation through in-person canvassing, social media outreach, and continued our successful referral program. We also expanded into Spanish-language radio and bus advertisements.
Students with Disabilities	Our Student Supports Team are available to answer all questions about IEP's from prospective families in both English and Spanish. We prepare all canvassers with information about our student supports	We continue to involve our Student Supports Team in recruitment so families can make an informed decision.

	program, and members of the team participate in outreach to prospective families to have informed conversations about how we can serve their child.	

Good Faith Efforts To Meet Enrollment Retention Targets

	Describe Retention Efforts in 2022-2023	Describe Retention Plans in 2023-2024
Economically Disadvantaged	We provide free meal to all students. We partnered with local services and vendors, including a laundromat, to provide additional supports for economically disadvantaged families. Our counseling team held monthly workshops to connect families for mutual support and external organizations. We also have local employers attend these events to connect our families with a variety of employment opportunities.	We continue to provide all school supplies, uniforms, and laptops for all students. We conduct home visits with all families to build trust and understand individual needs, so that we can support families in times of acute crisis. We will continue to have local employers attend our events to connect our families with a variety of employment opportunities.
English Language Learners	We expanded our successful Reading Program and MLL with additional dedicated teammates and differentiated classes that helped students make rapid growth. Families are regularly included in conversation and invited to observe instruction.	We have expanded our intervention time, and with our universal screening at the beginning of the school year, will provide more time for small group instruction every day.
Students with Disabilities	We continue our model of co-teaching within small classes, with the additional supports of our grade-level counselors. Daily intervention blocks across the school and frequent in-person meetings and opportunities for families to observe and collaborate with our team allowed for differentiated support and for students and families to experience measurable progress. Students with IEP's (like all students) receive weekly progress reports that are shared with families.	We are continuing our ICT model and adding additional Teaching Assistants to help increase small-group time for all students, especially Students with Disabilities. This year, we are expanding our ICT model to include 5th Grade Science and 8th Grade Living Environment, so that every tested subject will be co-taught.

| | Our team also regularly reviews student IEP's through the platform Edmod that allows educators simple and efficient access to the components of an IEP that directly impact classroom instruction. | |

Entry 10 – Teacher and Administrator Attrition

Completed - Oct 31 2023

Form for "Entry 10 – Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System – Employee Clearance

Required of ALL Charter Schools

Charter schools must ensure that all prospective employees[1] receive clearance through the NYSED Office of School Personnel Review and Accountability (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers**. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

> 1. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at NYSED CSO Employee Clearance and Fingerprint Memo 10-2019.

[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers**. See NYSED memorandum dated October 1, 2019 at http://www.nysed.gov/common/nysed/files/programs/charter-schools/employeefingerprintoct19.pdf or visit the NYSED website at: http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.
