# **Getting Started**

The information listed in the school's State Education Data Reference File, or <u>SEDREF</u>, must be accurate to process an AMTS claim. This section takes the applicant through the checks and balances required to successfully file a claim.

#### Leadership Designation

- An institution's <u>SEDREF</u> file will contain a Chief Executive Officer (CEO) and an additional contact/Chief Financial Officer (CFO).
- Both the CEO and the additional contact/CFO must keep a current email in their <u>SEDREF</u> file. The emails on file receive all NYSED religious and/or independent school announcements.
- ORISS also recommends checking for weekly updates on the ORISS website.
- If information in the <u>SEDREF</u> file is outdated or inaccurate, it is the school's responsibility to notify SEDREF. See below for how to make changes.

#### Leadership Changes

The CEO is the only user that can manage SEDREF Profile/SEDDAS accounts.

- To change CEO/CFO information, please contact <u>datasupport@nysed.gov</u> to update the information.
- To change CFO designation, the <u>CFO form</u> must be completed and emailed to <u>datasupport@nysed.gov</u>.
- For all other contact info changes, the change can be requested via email at datasupport@nysed.gov.

# **Entitlement Assignments & Changes**

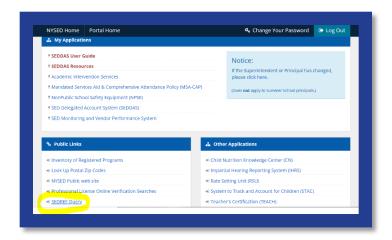

- Entitlement = Portal Access
- The CEO designation in <u>SEDREF</u> has access to entitlement rights as the DA/EA (Delegated Accounts/Entitlement Administrator).
- The CEO can assign the entitlement role to the CFO using the <u>SEDDAS</u> system.
- The DA/EA can also grant access to enable staff to enter and view data in the portal. Instructions are in the <u>SEDDAS User Guide</u>.
- If the CEO login information is known, but the institution would like to grant additional CFO access, please reach out to NYSED's Office of Information and Reporting Services at <a href="mailto:datasupport@nysed.gov">datasupport@nysed.gov</a>.
- Should this entitlement be assigned to anyone other than the CEO, the CEO must be aware that the entitled person will now receive the NYSED correspondence mentioned above.

  - Once all flagged areas have been addressed, the user will resubmit the application for further review.
  - This process will repeat itself if further information is still required.
  - If the user is non-responsive or does not respond promptly, the application may be subject to rejection.
- If further information is not required, and all requirements have been met, the reviewer will approve the application.
  - An auto-generated email will be sent to the contact(s) notifying of approval.
  - Approval of an application may mean one, several or all the teachers grouped in the application have been approved.
  - Approval must occur for all school applications prior to reimbursement being issued. See the <u>AMTS Y1 Guidance</u> for further information on the reimbursement process.

# **Application Submission & Reimbursement**

Please visit the <u>NYSED Business Portal</u> to access the submission portal. This webbased system improves the quality of submissions by decreasing the need for follow-up communication and increasing efficiency of the claims and reimbursement processes.

#### Deadline

Schools must submit the completed claim application <u>and</u> accompanying documents by **August 1, 2024**.

#### **Direct Deposit**

The Office of the State Comptroller has instituted Automated Clearing House (ACH) as the preferred payment method. This is also referred to as *direct deposit*. We strongly encourage schools which have historically received a reimbursement check to enroll in ACH. ACH payments provide both the sender and receiver with the advantages of improved controls, reduced chances of check fraud, better cash management, and reduced bank charges.

Your institution should access the Statewide Financial System (SFS) Help Desk and confirm that ACH is selected as the preferred method of payment:

- 1. Navigate to the Location tab on the vendor record.
- 2. Select the "Payables" hyperlink.
- 3. The payment method is displayed under the "Additional Payables Options," "Additional Payment Information" section.
- 4. If the payment method is ACH, the payment will be made via ACH.

Schools wanting to complete/update ACH should contact the SFS Help Desk at: helpdesk@sfs.ny.gov, toll-free (877) 737-4185, or (518) 457-7737.
